Ms. Lorraine Segil
Rockin' Grandma Music

Dear Ms. Segil,

As we reflect on the holiday season of 2012 we want to take a moment to express our sincere appreciation for your generosity. Your donation brought many smiles to the patients and families at Arnold Palmer Medical Center throughout Christmas Eve and Christmas Day.

The toys we received over the holidays were used in our Santa Sacks. This year, we were able to provide some holiday magic to over 250 babies, children and teens. This was only possible due to the efforts from individuals and groups in the community, such as you. The photos above show a sample of Santa's workshop in process of getting organized along with finished Santa sacks that were prepared for delivery to our young patients.

As you know, hospitalization can be stressful. Your support and participation plays an extremely important role in the care we provide by offering something positive and entertaining in the midst of this great stress and uncertainty. The gifts you have given allowed us to provide some fun and comfort to those in the hospital over the holidays, which ultimately lifted their spirits and brought happiness to their day. The compassion you demonstrated through your donation was a reflection of a caring and generous contribution to the well-being of all babies and children who are undergoing medical care.

Thank you again for your kindness and for remembering Arnold Palmer Medical Center. We wish you the best in health and happiness in the year to come.

Sincerely,

Dena Pichardo
